

920

# Power Station

## CT-60060

Small enough to take anywhere, the 920 Power Bank keeps your devices charged on the go.

- **Charge on the Go**

Our 65W fast-charging port also allows the Portable Power Outlet to recharge at high speeds and return to use as quickly as possible to charge your devices while on the go.

- **Premium Long-Lasting Batteries**

The same high-capacity lithium-ion batteries designed by Panasonic and used in Tesla Motor Vehicles store more power in a small format while retaining their charge for long durations.

- **LCD Screen**

The 920 power bank offers an LCD screen that displays the remaining battery life, so you'll always know how much power is left.

- **Pass-Through Charging Capabilities**

Pass-through charging allows you to power or recharge your devices while your 20K is plugged into the wall, recharging itself.

**Battery Capacity**  
20,000mAh / 72Wh

**Weight**  
1 lb

**Dimensions (LxWxH)**  
5.25" x 7.5" x 1"

**Warranty**  
1 year

**Input**  
USB-C  
65W (5V, 9V, 12V, 15V, 20V/3.25A)

**Output #1**  
USB-C1  
65W (5V, 9V, 12V, 15, 20V/3.25A)

**Output #2**  
USB-C2  
45W (5V, 9V, 12V, 15, 20V/2.25A)

**Output #3**  
USB-A 3.0  
24W (5V/3.4A, 9V2.5A, 12V/2A)
