

927

Power Station

CT-600061

The 927 is a durable and portable power station that offers maximum compatibility.

- LCD Screen**

Our 27K portable power outlet offers an LCD screen that displays the remaining battery life, so you'll always know how much power is left.

- Faster Charge & Recharge**

It is compatible with any device that requires 90 watts or less through a standard wall plug and all USB devices with a 27,000 mAh battery capacity.

- Maximum Compatibility**

Capable of powering any device using an AC outlet and up to 100 watts of power, including laptops, phones, tablets, televisions, radios, speakers, and any USB-compatible device.

- Pass-Through Charging Capabilities**

Pass-through charging allows you to power or recharge your devices while the charger is plugged into the wall, recharging itself.
