The versatile 954K 250W Power Bank - an ultimate solution for high-capacity power.

- A Wall Outlet on the Go**

Equipped with dual AC outlets and multiple charging ports, it ensures all devices stay powered up without the need to search for a wall socket.

- Ultra-Fast Charging & Recharging**

The bidirectional 65-watt PD Port can power full-size laptops and can fully recharge the 954 in approximately four hours.

- LCD Screen**

Our portable power outlet offers an LCD screen that displays the remaining battery life, so you'll always know how much power is left.

- Pass-Through Charging**

Our portable power outlet offers an LCD screen that displays the remaining battery life, so The 954 can recharge through either the DC input or its 65W PD port while simultaneously powering other devices through any port.
