

CS9 Pro

# Desktop Charging Station

CT-300016

The CS9 Pro is the most versatile desktop charging station with 6 cords for powering your devices.

- **Flexible for Any Space**

Its small footprint and retractable cables help reduce the clutter and make this the perfect desktop charging station

- **Power Indicator**

The LED power indicator illuminates the charging cables from above and shows the charging station is powered on.

- **Charge Multiple Devices**

It features a wireless charging pad and 3 USB-C and 3 Apple Lightning cables, so you can quickly and efficiently charge up to 6 devices at once.
