

E-SERIES

12-Bay AC Charging Cabinet

CT-300107SS

This user-friendly AC charging cart can simultaneously charge 12 devices.

- Smart Charging Cycle**

Once the entire cart is plugged into a wall outlet, all devices will begin charging on a smart charging cycle to efficiently charge all devices without overloading the outlet.

- Safety Features**

The cart's intuitive cooling system prevents overheating, provides voltage protection, and promotes cycle charging to promote a more efficient charge.

- Simple Use**

Simply plug your devices in and start charging

- Easy Storage**

Its compact size makes the E12 Charging Cabinet an unintrusive option for classrooms and other rooms that need to store laptops, phones, power stations or more.
