

## E-SERIES

# 16-Bay PD Charging Cabinet

## CT-55516PD

An easy-to-use PD outlet charging cart with a total of 16 docking bays.

- Smart Charging Cycle

Once the entire cart is plugged into a wall outlet, all devices will begin charging on a smart charging cycle to efficiently charge all devices without overloading the outlet.

- Safety Features

The cart's intuitive cooling system prevents overheating, provides voltage protection, and promotes cycle charging to promote a more efficient charge.

- Simple Use

Simply plug your devices in and start charging.

- PD-Ready

Power Deliver (PD) ports are built-in to the E16 Charging Cabinet, making it a versatile option for charging large and small devices alike.
