

## E-SERIES

# 30-Bay Charging Cart

## CT-300130

A compact and easy-to-use AC outlet charging cart with a total of 30 docking bays.

- Smart Charging Cycle

Once the entire cart is plugged into a wall outlet, all devices will begin charging on a smart charging cycle to efficiently charge all devices without overloading the outlet.

- Safety Features

The cart's intuitive cooling system prevents overheating, provides voltage protection, and promotes cycle charging to promote a more efficient charge.

- Mobile

Roll the E30 wherever needed- from classroom to classroom or office to office, the E30 is the ideal option to store, charge, and transport battery-powered devices.

- High Capacity Storage

The E30 Charging Cart features 30 bays of maximum storage for laptops, phones, battery packs and more.
