Automated Digital Assistant

Floorstanding

Good for:

Schools

Hospitals

Government

Libraries

Warehouses

Offices

# Guardian-32

## Charging Locker

32 Secure Phone  
Charging Locker Bays

2 Charging Cables  
per Bay

PIN Code Access  
Optional Fingerprint Reader

Wall-mountable

The Guardian-30 and 32 charging lockers are ideal for schools, government offices, warehouses, and more. Employees, students and guests alike can keep their phones securely charged for short or long durations, accessible by a unique PIN code each user registers upon use. As an alternative access option, consider adding a fingerprint reader for a high-tech touch to your workplace.

# Guardian-8

## Charging Locker

8 Secure Phone  
Charging Locker Bays

UV-C Disinfecting  
Lights

PIN Code Access

Wall-mountable

# Guardian-6

6 Secure Phone  
Charging Locker Bays

Wall-mountable

The Guardian-8 and 6 are compact, wall-mountable charging lockers that fit seamlessly on any wall. Simply plug the unit in an outlet and allow employees and guests to charge their phones. Guardian-8 comes specially equipped with UV-C disinfecting lights and undergoes a 5-minute disinfecting cycle for the phone as soon as the locker is closed.
