

GUARDIAN-8

Heavy-Duty Floor Stand

CT-200042

The Guardian-8 floor stand pairs with the Guardian-8 charging locker.

- Enhanced Convenience

This stand enhances the charging locker's convenience and accessibility, making it easier to place in high-traffic areas without the need for wall mounting.

- Two Configurations

Available in standard and ADA versions, offering options to meet various accessibility requirements and preferences.

- Durable Material

This mobile device locker stand is made with industrial-grade, heavy-duty steel to ensure the highest quality. It resists damage and lasts longer.
