

NEWPORT DIGITAL

Charging Station

CT-411NPD8-224

The Newport Digital Charging Station is designed to be both functional and aesthetically pleasing

- Aesthetically Pleasing

The Newport Digital features a matte-black steel body, wood-tone charging shelf, and a 12" digital screen for displaying customizable content.

- High-Speed Charging Capabilities

With six braided charging cables and three 1-to-2 cables (Type-C and Lightning) and two wireless charging pads you can charge up to nine devices simultaneously with a high-speed charging output of up to PD20W per cable.

- LED Lighting

An LED light at the top of the Newport provides soft and diffused illumination for use in low-light venues.
