

POP-UP

Power Table

CT-300123

This power table is a convenient, space-saving charging solution.

- **Convenient & Easy**

The Pop-Up Charging Table is an ideal space-saving charging device for when it's not being used or needs to be transported.

- **Fast Charging Technology**

With 20W charging speeds from each cable, mobile devices will get up to a 50% increase in battery within 30 minutes.

- **Safe & Functional**

With a spill proof acrylic top cover it's the perfect charging amenity without worrying about getting damaged.
