

Table Tent

# Desktop Power Bank

CT-300132

The Table Tent is the perfect charging amenity for any space and custom messaging.

- **Flexible for Any Space**

The Table Tent Power Bank does not require a wall outlet or cord and can be placed on tables or counters for customers to charge devices conveniently.

- **Hours of Power**

This powerful, compact charger provides 10,000mAh, meaning reliable charging for your guests for hours.

- **Charge Multiple Devices**

Dual multi-port cables are compatible with both Apple and Android devices and can charge two devices simultaneously.

An optional docking station stores and charges up to three devices at once.
